- Land Conditions: Land plots of the project is 1.5 Kilometers connected to Rural Road 4018. Lay down on the hill.

## INFRASTRUCTURE AND ACCESSIBILITY

- Distance from the Phuket International Airport to subject site is 20 mins, there are signs on the way sayings "Layan Beach" along Main Road. The western part of the land is connected to Rural Road 4018 which is the main road to beach front.
- The whole Layan area lies in stark contrast to adjacent Bang Tao Beach, its sister to the south. The south end of Bang Tao is home to ten beachfront resorts and more behind the beach, to a fishing community and now to a tourist village. Yet at this northern end of the bay has no resort development over several kilometers of beach. The only hotel in this area is the super-luxurious Anantara Phuket Layan Resort, Banyan Tree Phuket, Angsana etc.,
